

## **Drug Recalls and Withdrawals**

CalOptima's Pharmacy department informs members, prescribers and pharmacies when there is a Class I or Class II medication recall. We inform our members in writing when a medication is removed from the market.

CalOptima reviews drug recalls and withdrawals every 3 months. The review takes place in a meeting with the Pharmacy and Therapeutics (P&T) Committee. You can find details on drug recalls and withdrawals on CalOptima's website at <https://www.caloptima.org/Home/Members/Medi-Cal.aspx>. Drug recalls and withdrawals are revised every 3 months. Please talk with your doctor about any details on drug recalls and withdrawals that may affect you.
