Section 1 — Introduction

This directory provides a list of OneCare’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP. See Section 1.1, which starts on Page 7 of this directory, for more details on choosing and locating a PCP.

The network providers listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory; however, some services may require a referral. For more information about referrals, please see Chapter 2, Section 2 in your Evidence of Coverage.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor OneCare will be responsible for the costs.

What is the service area for OneCare?
The county in our service area is listed below:

- Orange County

How do you find OneCare providers that serve your area?

This directory gives you a list of all network providers that are contracted with OneCare. The providers are listed in Section 2 of this directory by provider type (Primary Care Providers, Specialists, Hospitals, Skilled Nursing Facilities, Outpatient Mental Health Providers, Vision Providers), by city and then alphabetically by provider name.

If you have questions about OneCare or require assistance in selecting a PCP, please call our Customer Service Department at 1-800-735-2929, 24 hours a day, 7 days a week. TTY users should call 1-877-412-2734, or visit www.caloptima.org/onecare.

What if you use non-plan providers to get covered services?

Non-plan providers are providers that are not part of OneCare. If you use non-plan providers, you may have to pay more. Care or services you get from non-plan providers will not be covered, except for ambulance services, emergency care (including post-stabilization care), urgently needed care, renal (kidney) dialysis and any services which were covered through an appeals process.

What should you do if you have bills from non-plan providers that you think should be paid by OneCare?

We cover certain health care services that you get from non-plan providers. These include care for a medical emergency, urgently needed care, renal (kidney) dialysis that you get when you are outside the plan’s service area, care that has been approved in advance by OneCare and any services which were covered through an appeals process. If a non-plan provider asks you to pay for covered services you get
in these situations, please contact us at OneCare, P.O. Box 11063, Orange, CA 92856. You should never pay any non-plan provider more than what the provider is allowed by Medicare. The provider has a right to get his/her fees, but does not have a right to get them from you.

Ask the non-plan provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your non-plan provider for our share of the bill and will let you know what, if anything, you must pay.

**Getting care when traveling or away from the plan’s service area**

If you need care when you are outside the service area, your health care coverage is limited. The only services we cover when you are outside our service area are care for a medical emergency, including post-stabilization care, urgently needed care, renal (kidney) dialysis and care that OneCare or a plan provider has approved in advance. For more information about medical emergency and urgently needed care, see Section 1.5. If you have questions whether a service is covered when you travel, please call OneCare Customer Service toll-free at **1-877-412-2734** or visit our office Monday through Friday from 8 a.m. to 5 p.m. TTY users should call **1-800-735-2929**.

**Can the list of plan providers change?**

Yes, OneCare may add or remove plan providers from our provider directory. To get current information about OneCare plan providers in your area, you can visit [www.caloptima.org/onecare](http://www.caloptima.org/onecare), or call OneCare Customer Service at **1-877-412-2734** or visit our office Monday through Friday from 8 a.m. to 5 p.m. TTY users should call **1-800-735-2929**.

**Your rights to access and participate in medical care**

You have the right to get timely access to plan providers and to all services covered by the plan. Timely access means that you can get appointments and services within a reasonable period of time. You have the right to get full information from your providers when you go for medical care. You have the right to participate fully in decisions about your health care. You have the right to refuse care.

If you have questions about OneCare or require assistance in selecting a PCP, please call our Customer Service Department at **1-877-412-2734**, 24 hours a day, 7 days a week. TTY users should call **1-800-735-2929**, or visit [www.caloptima.org/onecare](http://www.caloptima.org/onecare).
Section 1.1 — Choosing your Primary Care Provider (PCP)

What is a PCP?

When you become a member of OneCare, you must choose a plan provider to be your PCP. Your PCP is a provider who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP can also coordinate the rest of the covered services you need. In most cases, you must see your PCP to get a referral before you see any other health care provider.

How do you choose a PCP?

OneCare would like you to choose your PCP and health network. There are a few easy steps to help you do this:

1. Choose a doctor in this directory who you would like as your PCP. Please note that in some cases a specialist can be chosen as a PCP. Please call OneCare Customer Service for more information.

2. You may call the PCP’s office to ask questions about office hours, if they are open evenings/weekends, verify the languages spoken by staff, and if they are taking new patients.

3. Enter the provider ID number listed under the PCP’s name in the space provided on the enrollment form or call the OneCare Customer Service.

4. Once you’ve chosen a PCP, you also need to choose a health network from this directory. Your PCP must be contracted with your health network. Enter the name of that health network on the enrollment form.

Members new to OneCare need to choose a PCP and health network from this directory. If you do not choose a health network or PCP on the enrollment form, OneCare will contact you to get your selection. If OneCare is not able to contact you, then OneCare will choose a PCP or health network for you. OneCare will also let you know if the PCP you chose is not open to new members.

You may change your health network and/or PCP on a monthly basis, the effective date of your new PCP will be the first (1st) of the month following the date OneCare receives your request to change. You can call OneCare Customer Service to make a change. OneCare will send you a new member identification card once the change has been made.

Please note that this directory is current as of the date on the cover. The provider’s listing in the directory does not guarantee that the provider is still with OneCare or accepting new patients.

For the most updated provider listing, or if you need help choosing a PCP or health network, please call OneCare Customer Service toll-free at 1-877-412-2734, 24 hours a day, 7 days a week, or visit our office Monday through Friday from 8 a.m. to 5 p.m. at 505 City Parkway West, Orange, CA 92868. TTY users should call 1-800-735-2929.

If you want to use a particular OneCare specialist or hospital, you should check with your PCP to make sure they can make referrals to that specialist or hospital. The name and office telephone number of your PCP is printed on your membership card.

If you have questions, please call OneCare at 1-877-412-2734, 24 hours a day, 7 days a week. TTY users can call 1-800-735-2929. The call is free. For more information, visit www.caloptima.org/onecare.
Getting care from your PCP

Generally, you see your PCP first for most of your routine health care needs. There are only a few types of covered services you can get on your own, without seeing your PCP first. Please see Section 1.3 for the type of covered services you can get on your own without seeing your PCP first for a referral.

Your PCP can also help you arrange or coordinate your covered services. This includes X-rays, laboratory tests, therapies, specialists, hospital admissions and follow-up care. Your PCP also contacts other plan providers for updates about your care and/or treatment. If you need certain types of covered services or supplies, your PCP must give approval ahead of time. Your PCP must give you a referral to see a specialist. In some cases, your PCP will also need to get prior authorization (prior approval). Since your PCP will provide and coordinate your health care, you should have all of your past medical records sent to your new PCP’s office. The law requires us to protect your privacy of medical records and personal health information. For more information about privacy, see your Evidence of Coverage.

How to change your PCP

You may change your PCP for any reason at any time. Also, it’s possible that your PCP might leave our plan’s network of providers and you would have to find a new PCP.

You can change your PCP at any time by calling OneCare Customer Service toll-free at 1-877-412-2734, 24 hours a day, 7 days a week, or visit our office Monday through Friday from 8 a.m. to 5 p.m. at 505 City Parkway West, Orange, CA 92868. TTY users should call 1-800-735-2929. In most cases, the effective date of your new PCP will be the first (1st) of the month following the date OneCare receives your request to change. If you need help choosing a PCP, call OneCare Customer Service.

When you call, be sure to tell Customer Service if you are seeing specialists or getting other covered services that needed your PCP’s approval (such as home health services and durable medical equipment). Customer Service will help make sure that you can continue with the specialty care and other services you have been getting when you change your PCP. They will also check to be sure the PCP you want to switch to is accepting new patients. Customer Service will change your membership record to show the name of your new PCP, and tell you when the change to your new PCP will take effect. They will also send you a new membership card that shows the name and phone number of your new PCP.

What if your doctor or provider leaves OneCare?

Sometimes a doctor, specialist, clinic or other plan provider you are using might leave the plan. If this happens, you will have to switch to another provider who is part of OneCare. If your PCP leaves OneCare, we will let you know and help you switch to another PCP so that you can continue getting covered services.

If you have questions, please call OneCare at 1-877-412-2734, 24 hours a day, 7 days a week. TTY users can call 1-800-735-2929. The call is free. For more information, visit www.caloptima.org/onecare.
Section 1.2 — Getting care from specialists

When your PCP thinks that you need specialized treatment, he or she will give you a “referral” (approval ahead of time) to see a plan specialist. A specialist is a doctor who provides health care services for a specific disease or part of the body. Some examples of specialists are oncologists, who treat cancer; cardiologists, who treat heart conditions; and orthopedists, who treat certain bone, joint or muscle conditions. For some types of referrals to plan specialists, your PCP may need to get approval ahead of time from OneCare. This is called “prior authorization.”

It is very important to get a referral from your PCP before you see a plan specialist. However, you don’t need to get a referral for certain services (see Section 1.3). If you don’t have a referral before you get services from a specialist, you may have to pay for these services yourself. If the specialist wants you to come back for follow-up visits, be sure to check the original referral to see if follow-up visits were included.

Each plan PCP has certain plan specialists they use for referrals. This means that the OneCare specialists you can use may depend on which person you chose to be your PCP. If there are specific specialists you want to use, find out whether your PCP refers patients to these specialists. You can change your PCP at any time if you want to see a plan specialist that your current PCP does not refer to. If you want to change your PCP, see Section 1.1. If there are specific hospitals you wish to use, find out whether the doctors you will be seeing use these hospitals.
Section 1.3 — Self-referrals

There are certain times when you may be able to get certain services without a referral from your PCP. You will get most of your routine or basic care from your PCP. Your PCP can also coordinate your covered services. If you get services from any doctor, hospital or other health care provider without getting a referral ahead of time from your PCP, you may have to pay for these services yourself. This also includes if you get these services from a provider in your plan.

In some cases, you can get the services listed below without a referral or approval ahead of time from your PCP. Self-referred means you get services on your own. If you get self-referred services, you still have to pay a co-payment. However, if you get a self-referred service from a plan provider, you will only have to pay the in-network co-payment. If you go to a non-plan provider for these services, you will have to pay more.

The following services may be self-referred:

Routine women’s health care, which includes breast exams, mammograms (X-rays of the breast), pap tests and pelvic exams. This care is covered without a referral from your PCP only if you get it from a plan provider.

Flu shots and pneumonia vaccinations (only if you get them from a plan provider).

Emergency services, whether you get these services from plan providers or non-plan providers (see Section 1.5). The emergency services, including hospital care after you are stable (known as post-stabilization), are also covered.

Urgently needed care that you get from non-plan providers when you are temporarily outside the plan’s service area. For more information about urgently needed care, see Section 1.5. For more information about the plan’s service area, see Section 1.

Renal (kidney) dialysis services that you get when you are temporarily outside the plan’s service area. IF POSSIBLE, PLEASE LET US KNOW BEFORE YOU LEAVE THE SERVICE AREA WHERE YOU ARE GOING TO BE SO WE CAN HELP ARRANGE FOR YOU TO HAVE MAINTENANCE DIALYSIS WHILE OUTSIDE THE SERVICE AREA.
Section 1.4 — What if you need medical care when your PCP’s office is closed?

What to do if you have a medical emergency or urgent need for care and your PCP’s office is closed

In an emergency, you can get care immediately. You do not have to contact your PCP or get prior authorization in an emergency. You can dial 911 for immediate help by phone, or go directly to the nearest emergency room, hospital or urgent care center. For more information about emergency or urgently needed care, see Section 1.5.

What to do if it is not a medical emergency and your PCP’s office is closed

If you need to talk with your PCP or get medical care when the PCP’s office is closed, and it is not a medical emergency, you should call your PCP’s regular or after-hours phone number as there is always a health professional on call to help you. You may also call OneCare Customer Service toll-free at 1-877-412-2734, 24 hours a day, 7 days a week, or visit our office Monday through Friday from 8 a.m. to 5 p.m. at 505 City Parkway West, Orange, CA 92868. TTY users should call 1-800-735-2929.

For more information about what to do if you have an urgent need for care, see Section 1.5.
Section 1.5 — Getting care if you have a medical emergency

What is a medical emergency?

A situation is a “medical emergency” if you reasonably believe that your health is in serious danger. It means that every second counts. Some examples of medical emergencies are severe pain, a bad injury, a serious illness or a medical condition that is getting worse.

What should you do if you have a medical emergency?

If you have a medical emergency:

Get medical help as quickly as possible. Call 9-1-1 for help or go directly to the nearest emergency room. In any emergency, you never need to contact any plan provider, even your own PCP, for either permission (authorization) or referral.

However, as soon as possible, you or someone else should contact your PCP about your emergency. Your PCP needs to know about your emergency because your PCP, whose number is on your membership card, will provide follow-up care. Please try to contact your PCP about your emergency within 48 hours.

Your PCP will help manage and follow-up on your emergency care.

It is important to know that every emergency has 2 stages.

When the doctors or hospital providing emergency care considers your condition stable, the first stage of the medical emergency ends. However, even after your condition is stabilized, you are still considered in an emergency situation and OneCare must still pay for post-stabilization treatment provided by the hospital (whether or not this hospital is a plan provider). This second stage of the emergency, after your condition is stabilized is call “post-stabilization.”

Generally, the hospital or doctors providing emergency care will try to talk to your PCP. This helps the plan to arrange for plan providers to take over your care as soon as your condition and circumstances get better. Once your PCP takes over your care or agrees with the attending hospital on an appropriate course of action (or once you are discharged, if you are fully recovered), you are no longer in an emergency or post-stabilization situation.

Although you are past the emergency and post-stabilization, you may still need follow-up care. Our plan is responsible for your follow-up care. Our plan will only pay for follow-up care after your emergency and post-stabilization if you follow the plan rules. You will need to use plan providers to get authorization and/or referrals.

What if it wasn’t really a medical emergency?

To have your plan pay for your emergency care, you do not have to be certain that it is an emergency. For example, you might go in for emergency care thinking that your health is in serious danger but the doctor may disagree and not consider this a medical emergency. If this happens, you are still covered for the diagnostic treatment and care you received to determine what was wrong, provided that you thought your health was in serious danger, as explained in the section “What is a medical emergency?” above. However, please note that:

If you have questions, please call OneCare at 1-877-412-2734, 24 hours a day, 7 days a week. TTY users can call 1-800-735-2929. The call is free. For more information, visit www.caloptima.org/onecare.
If you get any extra care after the doctor says it was not a medical emergency, our plan will only pay for the extra covered care if you got this care from a plan provider.

If you get any extra care from a non-plan provider after the doctor says it was not a medical emergency, our plan must still pay for it as “urgently needed care” even though you got this care “outside your service area.” Please read below how “urgently needed care” is defined.

However, if you get any extra care from a non-plan provider that is not an emergency or “urgently needed care,” then you must pay for this care yourself. The plan won’t pay for this type of care.

**What is “urgently needed care?” (This is different from a medical emergency.)**

Urgently needed care refers to a non-emergency situation where you are temporarily absent from the plan’s authorized service area, you need medical attention right away for an unforeseen illness, injury or condition, and it isn’t reasonable, given the situation, for you to obtain medical care through the plan’s participating provider network. Note: Under unusual and extraordinary circumstances, care may be considered urgently needed when the member is in the service area, but the provider network of the plan is temporarily unavailable or inaccessible.

**What is the difference between a “medical emergency” and “urgently needed care?”**

The 2 main differences between urgently needed care and a medical emergency are in the danger to your health and your location. A “medical emergency” occurs when you reasonably believe that your health is in serious danger, whether you are in or outside of the service area.

“Urgently needed care” is when you need medical help for an unforeseen illness, injury or condition, but your health is not in serious danger and you are generally outside of the service area.

**Getting care that you need urgently when you are in the plan’s service area**

If you have a sudden illness or injury that is not a medical emergency, and you are in the plan’s service area, please call your PCP as there will always be a health professional on call to help you.

You may also call OneCare Customer Service toll-free at 1-877-412-2734, 24 hours a day, 7 days a week, or visit our office Monday through Friday from 8 a.m. to 5 p.m. at 505 City Parkway West, Orange, CA 92868. TTY users should call 1-800-735-2929. Keep in mind that if you have an urgent need for care while you are in the plan’s service area, you should get this care from plan providers. In most cases, we will not pay for urgently needed care that you get from a non-plan provider while you are in the plan’s service area.

**Getting urgently needed care when you are outside the plan’s service area**

OneCare covers urgently needed care that you get from non-plan providers when you are outside the plan’s service area (but still in the United States). If you need urgent care while you are outside the plan’s service area, you should call your PCP. If you are treated for an urgent care condition while out of the service area, we prefer that you return to the service area to get follow-up care through your PCP. However, we will cover follow-up care that you get from non-plan providers outside the plan’s service area as long as the care you are getting still meets the urgently needed care definition.

---

**If you have questions**, please call OneCare at 1-877-412-2734, 24 hours a day, 7 days a week. TTY users can call 1-800-735-2929. The call is free. **For more information**, visit [www.caloptima.org/onecare](http://www.caloptima.org/onecare).
OneCare also covers renal (kidney) dialysis services that you get when you are outside the plan’s service area.

We provide a $50,000 benefit for emergency and urgent care received outside the United States. Services are covered worldwide under the same conditions of medical necessity and appropriateness that would have applied if the same services were provided within the United States. You pay for your emergency and urgent care services and we will reimburse you up to $50,000 per year.

Sección 1 — Introducción

Este directorio proporciona una lista de los proveedores participantes de la red de OneCare. Para obtener más información detallada sobre la cobertura de su atención médica, consulte la Evidencia de Cobertura.

Necesitará escoger un proveedor participante de la red de OneCare que aparece en este directorio para que sea su proveedor de atención primaria (Primary Care Provider, PCP). El proveedor de atención primaria se denomina como “médico general” a lo largo de este directorio. Por lo general, tendrá que obtener la cobertura de su atención médica a través de su médico general. Consulte la Sección 1.1, localizada en la página 24 de este directorio para más información sobre cómo localizar y escoger un médico general.

Los proveedores participantes de la red que aparecen en este directorio han acordado brindar atención médica y servicios de la visión a los miembros de este plan. Puede acudir a cualquier proveedor participante de la red que aparece en este directorio. Sin embargo, algunos servicios requieren una referencia. Consulte la Sección 2 del Capítulo 2 de la Evidencia de Cobertura para más información sobre las referencias.

Debe usar los proveedores participantes de la red salvo en casos de emergencia o situaciones urgentes, diálisis renal fuera del área de servicio u otros servicios. Si recibe atención de rutina de un proveedor que no participa en la red del plan, ni Medicare ni OneCare serán económicamente responsables de los costos.

¿Cuál es el área de servicio de OneCare?

El área de servicio de este plan es el condado a continuación:

- Condado de Orange

¿Cómo localizar a proveedores de OneCare en su área?

Este directorio le da una lista de todos los proveedores participantes de la red contratados con OneCare. La lista de proveedores está en la Sección 2 de este directorio organizado por tipo de proveedor (médicos generales, especialistas, hospitales, centros de enfermería especializada, proveedores de salud mental ambulatorios, proveedores de la visión), por ciudad, y después por orden alfabético según el nombre del proveedor.

Si tiene preguntas sobre OneCare o necesita ayuda para seleccionar un médico general, llame al Departamento de Servicios para Miembros al 1-877-412-2734, las 24 horas al día, los 7 días de la semana. Usuarios de la línea TTY pueden llamar al 1-800-735-2929. También puede visitar nuestra página de Internet www.caloptima.org/onecare.

¿Qué pasa si utiliza proveedores que no participan en el plan para obtener servicios cubiertos?

Los proveedores fuera del plan son médicos que no participan en OneCare. Si utiliza proveedores fuera del plan, es posible que tenga que pagar más. La atención o los servicios que recibe de un proveedor fuera del plan no serán cubiertos, salvo a los servicios de ambulancia, atención de emergencia.
(incluyendo la atención hospitalaria después de ser estabilizado), cuidado urgente necesario, diálisis renal (del riñón) y otros servicios cubiertos por un proceso de apelación.

¿Qué debe hacer si recibe facturas de un proveedor que no participa en el plan y piensa que deben ser pagadas por OneCare?

OneCare cubre ciertos servicios de atención médica que obtiene de médicos que no participan en el plan. Esto incluye atención para una emergencia médica, cuidado urgente necesario, diálisis renal (del riñón) que recibe cuando está fuera del área de servicio del plan, atención médica que ha sido aprobada con anticipo por OneCare y servicios cubiertos por un proceso de apelación. Si un proveedor no participante le pide que pague por servicios cubiertos que obtiene en estas situaciones, por favor comuníquese con OneCare en la siguiente dirección: OneCare, P.O. Box 11063, Orange, CA 92856. Nunca debería pagarle a un proveedor no participante más de lo que Medicare permite. El proveedor tiene el derecho a recibir sus honorarios, pero no tiene el derecho de obtenerlos por medio de usted.

Pidale al proveedor no participante que primero le mande cobrar a OneCare por los servicios que obtuvo. Si ya pagó por los servicios cubiertos, OneCare le reembolsará por la parte del costo que le corresponde pagar al plan. Si recibe una factura por los servicios que obtuvo, puede enviar la factura a OneCare para que sea procesada. OneCare le pagará al proveedor no participante la parte del costo que le corresponde pagar al plan y le avisará si usted debe pagar algo adicional.

¿Cómo obtener atención médica cuando viaja o cuando está fuera del área de servicio del plan?

Si necesita atención médica cuando está fuera del área de servicio del plan, su cobertura médica es limitada. Los únicos servicios que son cubiertos cuando está fuera de nuestra área de servicio son la atención médica debido a una emergencia, incluyendo atención hospitalaria después de ser estabilizado, cuidado urgente necesario, diálisis renal (del riñón), y la atención médica que OneCare o un proveedor del plan haya aprobado con anticipo. Consulte la Sección 1.5 para más información sobre las emergencias médicas y cuidado urgente necesario. Si se cuestiona si está cubierto un servicio cuando está de viaje, llame gratuitamente al Departamento de Servicios para Miembros de OneCare al 1-877-412-2734 o visite nuestra oficina de lunes a viernes, de 8 a.m. a 5 p.m. Usuarios de la línea TTY pueden llamar al 1-800-735-2929.

¿Puede cambiar la lista de los proveedores del plan?

Sí. OneCare puede agregar o eliminar los proveedores del plan del Directorio de Proveedores. Para obtener la información más actualizada sobre los proveedores del plan de OneCare en su área, visite www.caloptima.org/onecare, o llame al Departamento de Servicios para Miembros de OneCare al 1-877-412-2734 o visite nuestra oficina de lunes a viernes, de 8 a.m. a 5 p.m. Usuarios de la línea TTY pueden llamar al 1-800-735-2929.

Sección 1.1 — ¿Cómo escoger un médico general?

¿Qué es un médico general?

Cuando se inscribe como miembro de OneCare, debe escoger un proveedor del plan para que sea su médico general. Su médico general es un médico quien reúne los requisitos del estado y que está capacitado para darle atención médica básica. Recibirá su atención médica habitual o básica de su médico general. Su médico general también puede ayudar a coordinar el resto de los servicios cubiertos que necesite. En la mayoría de los casos, debe acudir a su médico general para obtener una referencia antes de que acuda con cualquier otro proveedor de atención médica.

¿Cómo escoger a un médico general?

A OneCare le gustaría que escogiera a su propio médico general y plan de salud. Hay algunos pasos fáciles para ayudarle a hacer esto:

1. Escoja a un médico en este directorio que le gustaría como su médico general. Por favor recuerde que en algunos casos un especialista puede ser escogido como un médico general. Llame al Departamento de Servicios para Miembros de OneCare para más información.

2. Puede llamar al consultorio del médico general para hacer preguntas sobre el horario laboral, si están abiertos por las tardes/fines de semana, verificar los idiomas que habla el personal y si están aceptando a pacientes nuevos.

3. Escribe el número de identificación (ID) del proveedor que se encuentra abajo del nombre del médico general en el espacio especificado en la solicitud de inscripción o llame al Departamento de Servicios para Miembros de OneCare.

4. Una vez que haya escogido a un médico general, también necesitará escoger un plan de salud de este directorio. Su médico general debe estar contratado con el plan de salud que escoja. Escribe el nombre del plan de salud en la solicitud de inscripción.

Los miembros nuevos de OneCare deben escoger un médico general y un plan de salud de este directorio. Si no escoge un plan de salud o médico general en la solicitud de inscripción, OneCare se comunicará con usted para obtener su selección. Si OneCare no se puede comunicar con usted, entonces OneCare le designará un médico general o plan de salud. OneCare también le avisará si el médico general que escogió no está aceptando a pacientes nuevos.

Puede cambiar de plan de salud y/o médico general mensualmente y la fecha vigente del cambio de su médico general será el primer día del mes siguiente a partir de la fecha en que OneCare reciba su solicitud. Puede llamar al Departamento de Servicios para Miembros de OneCare para solicitar el cambio. OneCare le enviará una tarjeta de identificación de miembro nueva una vez que se haga el cambio.

Tenga presente que este directorio está actualizado a partir de la fecha en la portada. El que esté el proveedor en la lista del directorio no garantiza que el proveedor todavía participe con OneCare, o que esté aceptando a pacientes nuevos.

Para una lista actualizada del **Directorio de Proveedores y Farmacias o si necesita ayuda para escoger a un médico general o plan de salud**, llame gratuitamente al Departamento de Servicios para Miembros de OneCare al **1-877-412-2734**, las 24 horas al día, los 7 días de la semana o visite nuestra oficina de lunes a viernes, de 8 a.m. a 5 p.m. en el 505 City Parkway West, Orange, CA 92868. Usuarios de la línea TTY pueden llamar al **1-800-735-2929**.

Si quiere utilizar a un especialista u hospital de OneCare en particular, debe verificar con su médico general para asegurarse de que pueda hacer referencias a ese especialista u hospital. El nombre y el número de teléfono del consultorio de su médico general están impresos en su tarjeta de identificación de miembro.

¿Cómo recibir atención de su médico general?

Generalmente, debe acudir con su médico general primero para la mayoría de sus necesidades médicas habituales. Solamente hay algunos tipos de servicios cubiertos que puede obtener por su cuenta, sin tener que acudir primero a su médico general. Consulte la Sección 1.3 para los tipos de servicios cubiertos que puede obtener sin la necesidad de una referencia de su médico general.

Su médico general también puede ayudarle a organizar o coordinar sus servicios cubiertos. Esto incluye radiografías, exámenes de laboratorio, terapias, consultas con especialistas, hospitalizaciones y atención médica de seguimiento. Su médico general también se comunica con otros médicos del plan para estar al tanto de su atención médica y/o tratamiento. Si necesita ciertos tipos de servicios cubiertos o artículos médicos, su médico general debe darle aprobación por adelantado. Su médico general debe darle una referencia para acudir con un especialista. En algunos casos, su médico general también deberá obtener una autorización previa (aprobación previa). Como su médico general le brindará y coordinará su atención médica, debe pedir que envíen todo su expediente médico al consultorio de su médico general nuevo. La ley requiere que protejamos la privacidad de su expediente médico y su información personal de salud. Para más información sobre la privacidad, consulte la **Evidencia de Cobertura**.

¿Cómo cambiar de médico general?

Puede cambiar su médico general por cualquier razón en cualquier momento. También es posible que su médico general decida retirarse del plan. Si esto ocurre, tendrá que seleccionar a un médico general nuevo.

Puede cambiar de médico general en cualquier momento llamando gratuitamente al Departamento de Servicios para Miembros de OneCare al **1-877-412-2734**, las 24 horas al día, los 7 días de la semana o visite nuestra oficina de lunes a viernes, de 8 a.m. a 5 p.m. en el 505 City Parkway West, Orange, CA 92868. Usuarios de la línea TTY pueden llamar al **1-800-735-2929**. En la mayoría de los casos, la fecha de vigencia de cambio de médico general será el primer día del siguiente mes de la fecha en que OneCare recibió su solicitud. Llame al Departamento de Servicios para Miembros de OneCare si necesita ayuda para escoger un médico general nuevo.

Cuando llame, asegúrese de informarle al Departamento de Servicios para Miembros si se está atendiendo con algún especialista o está recibiendo otros servicios cubiertos que necesitan la aprobación de su médico general (tal como servicios de cuidado en el hogar y equipo médico duradero). El Departamento de Servicios para Miembros le ayudará a asegurar que pueda seguir con la atención

---

médica especializada y otros servicios que esté recibiendo al cambiar a un médico general nuevo. También verificará que el médico general al que desea cambiar esté aceptando a pacientes nuevos. El Departamento de Servicios para Miembros cambiará su registro de miembro para mostrar el nombre de su médico general nuevo, y le dirá cuándo será vigente el cambio. También le enviará por correo una tarjeta de identificación nueva que muestra el nombre y el número de teléfono de su médico general nuevo.

¿Qué pasa si su médico o proveedor se retira de OneCare?

Algunas veces un médico, especialista, clínica u otro proveedor del plan que está utilizando puede decidir retirarse del plan. Si esto sucede, necesitará cambiar a otro proveedor que participe en OneCare. Si su médico general se retira de OneCare, se le avisará y le ayudaremos a cambiar a otro médico general para que pueda continuar recibiendo servicios cubiertos.

Sección 1.2 — ¿Cómo obtener atención de los especialistas?

Cuando su médico general considera que necesita tratamiento especializado, le dará una “referencia” (aprobación por adelantado) para atenderse con un especialista dentro del plan. Un especialista es un médico que le brinda servicios de atención médica para una enfermedad específica o para una parte específica del cuerpo. Algunos ejemplos de especialistas incluyen oncólogos, quienes tratan a los pacientes con cáncer; cardiólogos, quienes tratan a pacientes con problemas del corazón; y ortopedistas, quienes tratan a personas con ciertos problemas de huesos, coyunturas o músculos. Para algunos tipos de referencias a especialistas del plan, es posible que su médico general tenga que obtener una aprobación por adelantando de OneCare. A esto se le llama “autorización previa”.

Es muy importante obtener una referencia de su médico general antes de acudir con un especialista del plan. Sin embargo, no necesita obtener una referencia para ciertos servicios (consulte la Sección 1.3). Si no tiene una referencia antes de recibir servicios de un especialista, es posible que usted mismo tenga que pagar por estos servicios. Si el especialista quiere que programe citas de seguimiento, asegúrese de revisar la referencia original para verificar si estas consultas fueron incluidas.

Cada médico general del plan trabaja con ciertos especialistas del plan para referir a sus pacientes. Esto significa que los especialistas de OneCare que puede utilizar dependen en el médico que escoja como su médico general. Si tiene especialistas específicos que quiere utilizar, asegúrese de averiguar si su médico general refiere a sus pacientes a estos especialistas. Puede cambiarse de médico general en cualquier momento si es que quiere acudir a un especialista específico del plan al que su médico general actual no lo puede referir. Consulte la Sección 1.1 para más información sobre cómo cambiar de médico general. Si hay hospitales específicos que quiere utilizar, asegúrese de averiguar si los médicos que lo atenderán también utilizan estos hospitales.

Sección 1.3 — Autoreferencias

Hay algunos servicios que puede obtener por sí mismo, sin tener que ser referido por su médico general. Obtendrá la mayoría de su atención médica habitual o básica de su médico general. Su médico general también puede coordinar sus servicios cubiertos. Si obtiene servicios de cualquier médico, hospital u otro proveedor de atención médica sin recibir una referencia por adelantado de parte de su médico general, es posible que usted mismo tenga que pagar por estos servicios. Esto también incluye si obtiene estos servicios de un proveedor participante del plan.

En algunos casos, puede obtener los servicios mencionados a continuación sin la necesidad de una referencia o aprobación por adelantado de su médico general. Autoreferencia significa que obtiene los servicios por su cuenta. Si obtiene servicios de autoreferencia, aun tendrá que pagar un copago. Sin embargo, si obtiene un servicio de autoreferencia de un proveedor del plan, solamente tendrá que pagar el copago del plan, si es que tiene uno. Si obtiene estos servicios de un proveedor que no participa en el plan, tendrá que pagar más.

Los siguientes servicios pueden ser autoreferidos:

- Atención médica de rutina para las mujeres, incluyendo exámenes de los senos, mamografías (radiografías de los senos), pruebas del Papanicolaou y exámenes pélvicos. Este tipo de atención es cubierto sin la necesidad de recibir una referencia de su médico general solamente si los obtiene de un proveedor del plan.

- Las vacunas contra la gripe y la pulmonía (solamente si las obtiene de un proveedor del plan).

- Servicios de emergencia, así obtenga estos servicios de un proveedor del plan o de médicos no participantes (consulte la Sección 1.5). Los servicios de emergencia, incluyendo la atención hospitalaria después de ser estabilizado, también son cubiertos.

- El cuidado urgente necesario que obtenga de médicos no participantes cuando esté temporalmente fuera del área de servicio del plan. Consulte la Sección 1.5 para más información sobre el cuidado urgente necesario. Consulte la Sección 1 para más información sobre el área de servicio del plan.

- Los servicios de diálisis renal (del riñón) que obtiene cuando está temporalmente fuera del área de servicio del plan. SI ES POSIBLE, AVÍSENOS DÓNDE VA A ESTAR ANTES DE QUE DEJE EL ÁREA DE SERVICIO DEL PLAN PARA QUE PODAMOS COORDINAR LOS SERVICIOS DE MANTENIMIENTO DE DIÁLISIS MIENTRAS ESTÁ FUERA DEL ÁREA DE SERVICIO.
Sección 1.4 — ¿Qué hacer si necesita atención médica cuando está cerrado el consultorio de su médico general?

¿Qué debe hacer si tiene una emergencia médica y necesita cuidado urgente y el consultorio de su médico general está cerrado?

En una emergencia, puede recibir atención médica de inmediato. No tiene que comunicarse con su médico general ni solicitar una autorización previa en una emergencia. Puede llamar al 911 para ayuda inmediata, o puede ir directamente a la sala de emergencia del hospital más cercano o centro de cuidado urgente. Consulte la Sección 1.5 para más información sobre las emergencias o cuidado urgente necesario.

¿Qué debe hacer si no es una emergencia médica y el consultorio de su médico general está cerrado?

Si necesita hablar con su médico general o necesita atención médica cuando el consultorio de su médico general está cerrado, y no es una emergencia médica, debe llamar al número de teléfono regular o después del horario laboral de su médico general ya que siempre hay un profesional de salud disponible para atender su llamada. También puede llamar gratuitamente al Departamento de Servicios para Miembros de OneCare al 1-877-412-2734, las 24 horas al día, los 7 días de la semana o visitar nuestra oficina de lunes a viernes, de 8 a.m. a 5 p.m. en el 505 City Parkway West, Orange, CA 92868. Usuarios de la línea TTY pueden llamar al 1-800-735-2929.

Consulte la Sección 1.5 para más información sobre lo que debe hacer si necesita cuidado urgente.
Sección 1.5 — ¿Cómo obtener atención si tiene una emergencia médica o necesita atención urgente?

¿Qué es una emergencia médica?

Una “emergencia médica” es cuando conscientemente piensa que su salud corre grave peligro. Quiere decir que cada segundo cuenta. Algunos ejemplos de una emergencia médica incluyen dolor grave, una lesión fuerte, una enfermedad grave o una enfermedad que está empeorando rápidamente.

¿Qué debe hacer si tiene una emergencia médica?

Si tiene una emergencia médica:

Obtenga ayuda médica lo más pronto posible. Llame al 9-1-1 para pedir ayuda o acuda a la sala de emergencia del hospital más cercano. En cualquier emergencia, no necesita comunicarse con ningún proveedor del plan, ni siquiera su propio médico general, para pedir un permiso (autorización) o una referencia. Sin embargo, usted u otra persona debe comunicarse con su médico general para avisarle de su emergencia lo más pronto posible. Su médico general debe saber sobre su emergencia porque su médico general, cuyo número de teléfono aparece en su tarjeta de identificación de miembro, le dará la atención médica de seguimiento que necesite. Trate de comunicarse con su médico general dentro de las primeras 48 horas de haber tenido la emergencia.

Su médico general le ayudará con el manejo y seguimiento de su atención médica de emergencia.

Es importante saber que cada emergencia tiene 2 etapas.

Cuando los médicos u hospital que le están dando la atención médica consideran que su estado de salud es estable, termina la primera etapa de la emergencia médica. Sin embargo, aun después de que se establezca su estado de salud, se considera que todavía está en una situación de emergencia y OneCare debe continuar pagando por el tratamiento que recibe del hospital (sin importar si el hospital participa o no con el plan). El estar estabilizado se considera como la segunda etapa de la emergencia médica. Generalmente, los médicos u hospital brindando la atención médica de emergencia tratarán de comunicarse con su médico general. Esto le ayudará al plan a localizar médicos del plan para que asuman el control de su salud tan pronto como su estado de salud y circunstancias mejoren. Una vez que su médico general asuma el control de su salud o se ponga de acuerdo con el hospital que lo atiende en un tratamiento apropiado (o una vez que sea dado de alta si se ha recuperado totalmente), ya no se considera como una situación de emergencia o de estabilización.

Aunque ya haya pasado la emergencia y después de haber recibido atención médica de estabilización, es posible que necesite atención médica de seguimiento. El plan es responsable por su atención médica de seguimiento. Sin embargo, el plan solamente pagará por su atención médica de seguimiento después de una emergencia y estabilización si sigue las normas del plan. Necesitará utilizar médicos del plan para obtener autorizaciones y/o referencias.

¿Qué sucede si en realidad no se trataba de una verdadera emergencia médica?

Para que el plan pague por su atención médica de emergencia, no es necesario que esté seguro de que se trate de una verdadera emergencia médica. Por ejemplo, es posible que reciba atención médica de emergencia porque usted piensa que su salud está en grave peligro pero el médico puede estar en desacuerdo y no lo considere como una emergencia médica. Si esto sucede, usted todavía está cubierto por el tratamiento de diagnóstico y atención médica que recibió para determinar qué es lo que estaba mal, siempre y cuando usted haya pensado que su salud estaba en grave peligro, como se explicó anteriormente en la sección “¿Qué es una emergencia médica?”. Sin embargo, tenga presente que:

Si recibe cualquier atención médica adicional después de que el médico dice que no es una emergencia médica, su plan solamente pagará por la atención médica cubierta adicional si obtiene esta atención de un médico del plan.

Si obtiene atención médica adicional de un médico no participante después de que el médico haya dicho que no es una emergencia médica, su plan debe pagar el servicio como “cuidado urgente necesario” aunque recibió la atención médica “fuera del área de servicio”. Consulte la definición de “cuidado urgente necesario” a continuación.

Sin embargo, si recibe atención médica adicional de un médico fuera del plan que no es una emergencia o “cuidado urgente necesario”, entonces usted mismo debe pagar por esta atención médica. El plan no pagará por este tipo de atención médica.

¿Qué es el cuidado urgente necesario? (esto es diferente a una emergencia médica).

El cuidado urgente necesario es una situación cuando se encuentra fuera del área de servicio y necesita atención médica inmediata a causa de una enfermedad o lesión imprevista que no se trata de una emergencia y no es razonable, dada la situación, que espere a obtener la atención médica de un proveedor dentro del plan. Aviso: Bajo circunstancias anormales y extraordinarias, la atención médica que recibe puede ser considerada como cuidado urgente necesario cuando el miembro está en el área de servicio, pero los médicos participantes del plan están temporalmente inaccesibles.

¿Cuál es la diferencia entre una “emergencia médica” y el “cuidado urgente necesario”?

Las 2 diferencias principales entre el cuidado urgente necesario y una emergencia médica son la gravedad de la enfermedad y el lugar donde se encuentra. Una “emergencia médica” es cuando piensa que su salud está en grave peligro, sin importar si está dentro o fuera del área de servicio del plan.

El “cuidado urgente necesario” es atención médica que recibe por una enfermedad imprevista o una lesión que necesita atención médica de inmediato, pero no pone en peligro su vida y normalmente está fuera del área de servicio del plan.

¿Cómo obtener atención urgente cuando está dentro del área de servicio del plan?

Si tiene una enfermedad imprevista o lesión que no es una emergencia médica, y está en el área de servicio del plan, llame a su médico general ya que siempre habrá un profesional de la salud que atienda su llamada.

También puede llamar gratuitamente al Departamento de Servicios para Miembros de OneCare al 1-877-412-2734, las 24 horas al día, los 7 días de la semana o puede visitar nuestra oficina de lunes a viernes, de 8 a.m. a 5 p.m. en el 505 City Parkway West, Orange, CA 92868. Usuarios de la línea TTY pueden llamar al 1-800-735-2929. Tenga presente que si tiene una necesidad de cuidado urgente mientras está en el área de servicio del plan, debe obtener esta atención médica de un proveedor participante del plan. En la mayoría de los casos, OneCare no pagará por el cuidado urgente necesario que obtiene de un médico no participante mientras se encuentra dentro del área de servicio del plan.

¿Cómo obtener atención urgente cuando está fuera del área de servicio del plan?

OneCare cubre el cuidado urgente necesario que obtiene de médicos fuera del plan cuando se encuentra temporalmente fuera del área de servicio del plan (pero dentro de los Estados Unidos). Si necesita cuidado urgente cuando está fuera del área de servicio del plan, debe llamarle a su médico general. Si es atendido para una enfermedad urgente cuando está fuera del área de servicio del plan, OneCare prefiere que regrese al área de servicio para obtener la atención médica de seguimiento de su médico general. Sin embargo, se cubrirá la atención médica de seguimiento que reciba de un médico no participante mientras está fuera del área de servicio del plan si la enfermedad es urgente y cuenta con la atención médica necesaria.

OneCare también cubre los servicios de diálisis renal (del riñón) que recibe cuando está fuera del área de servicio del plan.

Ofrecemos hasta $50,000 de cobertura por atención de emergencia o urgente que recibe fuera de los Estados Unidos. Los servicios son cubiertos en todo el mundo bajo las mismas condiciones de necesidad y conveniencia médica que se aplicarían al recibir los mismos servicios dentro de los Estados Unidos. Paga personalmente por los servicios de emergencia o atención urgente que reciba y le reembolsaremos hasta $50,000 por año.

Trong một vài trường hợp, quý vị có thể nhận được các dịch vụ được liệt kê dưới đây mà không cần giấy giới thiệu hoặc chấp thuận trước từ Bác sĩ Gia Đình. Trong trường hợp cấp cứu, quý vị cần được chăm sóc ngay lập tức. Quy vị không cần gọi văn phòng Bác sĩ Gia Đình hoặc xin phép trước cho một trường hợp cấp cứu. Quý vị có thể gọi 911 ngay lập tức, hoặc đi đến phòng cấp cứu, bệnh viện hoặc trung tâm chăm sóc khẩn cấp gần nhất. Phần 1.5 — Nhận dịch vụ chăm sóc nếu quý vị trong trường hợp cấp cứu hoặc có nhu cầu chăm sóc khẩn cấp

Trường hợp cấp cứu là gì?

“Trường hợp cấp cứu” là khi quý vị có lý do nghiêm như khó của quý vị đang trong tình trạng nguy kịch. Điều này cũng có nghĩa là mọi giây phút đều quý báu. Một số thí dụ của trường hợp cấp cứu là: con đau dữ dội, một vết thương nặng, bệnh nghiêm trọng, hoặc tình trạng bệnh càng nặng hơn.

Quy vị nên làm gì khi trong trường hợp cấp cứu?

Nếu quý vị đang trong trường hợp cấp cứu:

- Yêu cầu sự giúp đỡ càng nhanh càng tốt. Gọi 9-1-1 để được giúp đỡ hoặc đi thẳng đến phòng cấp cứu gần nhất. Trong bất cứ trường hợp cấp cứu nào, quý vị cũng không cần gọi bác sĩ thuộc chương trình kế cả Bác Sĩ Gia Đình để xin phép (được cho phép) hoặc được giới thiệu.

Bác Sĩ Gia Đình sẽ kiểm soát và theo dõi bệnh sau sự chăm sóc cấp cứu của quý vị.

Điều quan trọng quý vị cần biết là mỗi trường hợp cấp cứu có 2 giai đoạn.

Khi các bác sĩ hoặc bệnh viện cung cấp sự chăm sóc cấp cứu nghỉ rằng bệnh trạng của quý vị đã ổn định, giai đoạn đầu tiên của trường hợp cấp cứu chậm dần. Tuy nhiên, mặc dù bệnh trạng của quý vị ổn định, quý vị vẫn được cơ là đang ở trong tình trạng cấp cứu và OneCare phải đảm bảo các dịch vụ điều trị cho quý vị tại bệnh viện sau khi bệnh trạng được ổn định (không kể là bệnh viện này có phải trong hệ thống của chương trình hay không). Giai đoạn thứ 2 này của trường hợp cấp cứu, sau khi bệnh trạng của quý vị được ổn định được gọi là “chăm sóc sau khi ổn định” (post-stabilization).

Thống thường, bệnh viện hoặc các bác sĩ cung cấp dịch vụ cấp cứu sẽ có giao liên lạc với Bác Sĩ Gia Đình của quý vị. Điều này sẽ giúp chương trình sắp xếp cho các nhà cung cấp dịch vụ trong chương trình bắt đầu chăm sóc quý vị ngay khi tình trạng của quý vị được tốt hơn. Sau khi Bác Sĩ Gia Đình chăm sóc sức khỏe hoặc đồng ý với bệnh viện về những bước kế tiếp (hoặc khi quý vị được xuất viện nếu quý vị đã hoàn toàn bình phục), quý vị sẽ không còn trong tình trạng cấp cứu hoặc chăm sóc sau khi ổn định.

Mặc dù quý vị đã qua thời kỳ cấp cứu và chăm sóc sau khi ổn định, quý vị có thể vẫn cần được theo dõi. Chương trình của chúng tôi sẽ chịu trách nhiệm về những dịch vụ theo dõi bệnh trạng của quý vị. Chương trình của chúng tôi chỉ trả cho những dịch vụ theo dõi sau cấp cứu và chăm sóc sau khi ổn định của quý vị nếu quý vị tuân theo những điều luật của chương trình. Quy vị sẽ cần sử dụng những nhà cung cấp dịch vụ thuộc chương trình để xin giấy chấp thuận và/hoặc giấy giới thiệu.

Điều gì xảy ra nếu trường hợp đó không phải là trường hợp cấp cứu?

Để được chưởng trinh của quy vị đại diện dịch vụ cấp cứu, quy vị không cần phải biết là trường hợp đó có phải là cấp cứu hay không. Vì dự, quy vị có thể đi vào phòng cấp cứu để nhận dịch vụ và nghi rằng sức khỏe của quy vị đang trong tình trạng nguy kịch nhưng bác sĩ có thể không đồng ý với điều này và cho rằng đó không phải là một trường hợp cấp cứu. Nếu điều này xảy ra, quy vị vẫn được đại thể cho sự điều trị chẩn đoán và sự chăm sóc quy vị nhận được đã hiểu về đã xảy ra với quy vị, miễn là quy vị nhận thấy sức khỏe của quy vị đang Nguy kịch như đã giải thích trong phần “Trường hợp cấp cứu là gì?” ở trên. Tuy nhiên, xin lưu ý rằng:

Nếu quy vị nhận những dịch vụ khác sau khi bác sĩ cho biết là đó không phải là trường hợp cấp cứu, chưởng trinh chỉ trả cho những dịch vụ khác được đại thể nếu quy vị nhận được dịch vụ này từ bác sĩ thuộc chưởng trinh.

Nếu quy vị nhận thêm những dịch vụ chăm sóc khác từ một bác sĩ không thuộc trong chưởng trinh sau khi bác sĩ cho biết đó không phải là trường hợp cấp cứu, chưởng trinh vẫn phải trả tiền cho dịch vụ đó cơ như là quy vị nhận “sự chăm sóc khẩn cấp” mà được quy vị nhận được dịch vụ này “ngoài vừng phục vụ của chưởng trinh”. Xin tham khảo phân điều để biết được “sứ chăm sóc khẩn cấp” được định nghĩa ra sao.

Tuy nhiên, nếu quý vị nhận bất cứ dịch vụ nào khác từ bác sĩ không thuộc trong chưởng trinh mà không phải là trường hợp cấp cứu hoặc “sự chăm sóc khẩn cấp”, quy vị phải trả tiền cho dịch vụ này. Chưởng trinh sẽ không chỉ trả cho những loại dịch vụ này.

“Chăm sóc khẩn cấp” là gì? (Dịch vụ này khác với chăm sóc cấp cứu).

Chăm sóc khẩn cấp là trường hợp không phải là cấp cứu, khi quý vị tạm thời ở ngoại vùng phục vụ, và quý vị cần được chăm sóc ngay lập tức với một căn bệnh, vết thương, hoặc tình trạng bất ngờ, và quý vị không thể chờ để gặp bác sĩ thuộc chưởng trinh để được chăm sóc. Xin lưu ý: trong trường hợp đặc biệt không lương trực thuộc, sự chăm sóc có thể được cơ như là khám cấp khi thân viên đang trong vùng phục vụ, những nhà cung cấp dịch vụ trong hệ thống tạm thời không thể khám được.

Sự khác biệt giữa “chăm sóc cấp cứu” và “chăm sóc khẩn cấp”?

Hai điểm khác biệt chính giữa “chăm sóc cấp cứu” và “chăm sóc khẩn cấp” là sự nghiêm trọng của bệnh trạng và nơi quy vị đang ở. “Chăm sóc cấp cứu” là khi quý vị có lý do nghi rằng sức khỏe của quý vị đang ở trong tình trạng nguy kịch, không kể khi quý vị ở trong hay ngoại vùng phục vụ.

“Chăm sóc khẩn cấp” là khi quý vị có một căn bệnh, vết thương, hoặc tình trạng bất ngờ nhưng không nguy hiểm đến sức khỏe và quý vị thường đang ở ngoại vùng phục vụ.

2020 Pharmacy Directory

This pharmacy directory was updated on 08/01/2020. For more recent information or other questions, please contact OneCare (HMO SNP) Customer Service at 1-877-412-2734 or, for TTY users, 1-800-735-2929, 24 hours, 7 days a week, or visit www.caloptima.org/onecare.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.caloptima.org/onecare. You may also call Customer Service for updated provider information.

Introduction

This booklet provides a list of OneCare’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and OneCare’s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under OneCare only if they are filled at a network pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 08/01/2020. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact OneCare.

Introducción

Este directorio contiene una lista de las farmacias participantes de la red de OneCare. Para obtener más información detallada sobre la cobertura de sus medicamentos con receta, consulte la Évidencia de Cobertura y la Lista de medicamentos cubiertos.

Las farmacias que aparecen en esta lista son las “farmacias de la red” que han acordado suministrar medicamentos con receta a los miembros del plan. En la mayoría de los casos, sus medicamentos con receta solamente están cubiertos bajo OneCare si son surtidos en una farmacia participante de la red. Una vez que acuda a una farmacia, no está obligado a continuar acudiendo a la misma farmacia para surtir sus medicamentos con receta. Puede acudir a cualquier farmacia participante. Los medicamentos con receta surtidos en farmacias que no participan en el plan solamente serán cubiertos en ciertas circunstancias de acuerdo a lo que se describe en la Évidencia de Cobertura.

Es posible que no todas las farmacias participantes de la red estén en el directorio. Tal vez se hayan agregado o eliminado algunas farmacias de la lista después de que fue impreso este directorio. Esto significa que es posible que algunas de las farmacias incluidas en este directorio ya no participen en nuestra red, o que pueda haber farmacias nuevas participantes que no están incluidas en la lista. Este directorio está actualizado a partir del 08/01/2020. Para obtener el directorio más actualizado, llame a OneCare. La información de contacto se encuentra en la portada y contraportada de este directorio.

Si tiene preguntas sobre la información descrita arriba, consulte la portada y contraportada de este directorio para información sobre cómo comunicarse con OneCare.
