

## Let's Get Started!

Call us today to see if PACE is the right option for you.

### Step 1 We Will Talk with You

We will contact you to review your needs and discuss health care options within PACE, such as ACS (Alternative Care Settings) and community-based physicians.

### Step 2 Assess Eligibility

The PACE team assesses your initial program eligibility, to confirm that you meet the requirements to move forward with your application.

### Step 3 Home Visit

The PACE team visits you at your home to complete the program eligibility assessment.

### Step 4 State Approval

We will submit your application to the California Department of Health Care Services for review and approval.

### Step 5 Complete Application

The PACE team meets with you to complete your enrollment application.

## Your First Day at PACE

Once enrolled, you'll start with PACE on the 1st of the next month.

Program of All-Inclusive Care for the Elderly

# About PACE

CalOptima Health's Program of All-Inclusive Care for the Elderly (PACE) is a long-term comprehensive health care program that helps older adults to remain as independent as possible. PACE services are provided either in the community or at our PACE center.

## PACE Services

Services listed below can be offered in your home, in the community or at our PACE center.

- Routine medical care, including specialist care
- Prescribed drugs and lab tests
- Personal care for things like bathing, dressing and light chores
- Recreation and social activities
- Nutritious meals
- Social services
- Rides to health-related appointments, and to and from the program
- Hospital care and emergency services\*

*\*Participants must receive all needed services, other than emergency care, from CalOptima Health PACE providers and will be personally responsible for any unauthorized or out-of-network services.*

## How do I qualify for PACE?

- Be at least 55 years old
- Live in our service area
- Meet the nursing facility level of care requirements as determined by the State of California
- Be able to live safely at home or in a community setting with proper support

## How much will I pay for PACE?

The cost varies, depending on the type of insurance coverage you have:

- If you have Medicare and Medi-Cal (with no share of cost), all PACE services are covered at no cost to you.
- If you have Medi-Cal only (with no share of cost), all PACE services are covered at no cost to you.
- If you have Medicare and Medi-Cal (with a share of cost), you must pay the share of cost.
- If you have Medicare only, you must pay a monthly premium for PACE, plus your Medicare Part D premium.
