About CalOptima Health PACE

CalOptima Health PACE is the Program of All-Inclusive Care for the Elderly, the original program of its kind in Orange County. PACE offers complete senior care, including doctor visits, healthy meals, recreational activities, home care, transportation and so much more!

With CalOptima Health PACE you receive health care as unique as you. The program is tailored to your needs to keep you active and living at home. Your health, your home — CalOptima Health PACE helps you enjoy the best of both.

PACE Services

The services listed below can be offered in your home, in the community or at our PACE center.

- Routine medical care, including specialist care
- Prescribed medicines and lab tests
- Personal care for things like bathing, dressing and light chores
- Recreational and social activities
- Healthy meals
- Rides to health-related appointments, and to and from the program
- Social services
- Hospital care and emergency services*

* Participants must receive all needed services, other than emergency care, from CalOptima Health PACE providers and will be personally responsible for any unauthorized or out-of-network services.
