CEO AND MANAGEMENT REPORTS

Chief Operating Officer Report

Yunkyung Kim, Chief Operating Officer, introduced herself to the committee and provided an update on items of interest from the CEO Report to the Board for October. Ms. Kim highlighted CalOptima's NCQA's top rated Medi-Cal plans in the State of California for the seventh year in a row achieving four out of five stars for services. Ms. Kim informed the committee that CalOptima is awaiting the final draft of the Centers for Medicare and Medicaid Services (CMS) audit and will be informing providers of any follow up that may be needed. Ms. Kim also advised the committee that the Department of Health Care Services (DHCS) will be auditing CalOptima's Medi-Cal line of business in early 2022. She also highlighted that September was the National Program of All-Exclusive Care for the Elderly (PACE) Awareness Month and thanked the providers for celebrating with CalOptima at the PACE September event.

Chief Medical Officer Report

Emily Fonda, M.D., Chief Medical Officer, provided a COVID-19 update to the PAC on the vaccine status in Orange County. She noted that 412,769 CalOptima members had been vaccinated and that 381,215 of those vaccinated were eligible for gift care incentives. Approximately 203,233 gift cards have been processed for CalOptima members and another 1,649 gift cards have been distributed to CalOptima members experiencing homelessness.

Chief Financial Officer Quarterly Report

Nancy Huang, Chief Financial Officer, provided a quarterly financial update and reviewed the FY 2021-22 enrollment trend analysis and CalOptima's financial support of the ongoing COVID-19 pandemic. Ms. Huang discussed the upcoming DHCS incentive programs with the PAC, including CalAIM performance incentives and the student behavioral health incentive.

INFORMATION ITEMS

Homeless Health Update

Sloane Petrillo, Director of Case Management provided a brief verbal report on the Homeless Response Team, Clinical Field Team, Health Homes Program and CalAIM implementation. Ms. Petrillo highlighted and described the efforts of the homeless response team. Ms. Petrillo advised that the team's field presence was paused due to the COVID-19 pandemic and noted that using virtual technology, the field teams continue to help five to eight members per day.

Back To School Learning Related Disorders

Jillian Youngerman, O.D. Assistant Professor, Ketchum University, presented on Back to School Learning Related Vision Disorders. Dr. Youngerman emphasized that the American Optometric Association's recommended timeline for eye exams was to start by six to twelve months of age to catch conditions with high refractive error that may cause amblyopia later in life.

Back to Agenda

Medi-Cal Rx Update

Kristen Gericke, Pharm.D, Director, Clinical Pharmacy, provided an update on the Medi-Cal Rx transition. She noted that this program had several delays, but noted that the Medi-Cal Rx program would now be moving forward with an effective date of January 1, 2022 and that the DHCS would be sending out 60-day notices on November 1, 2021 to CalOptima members who would be affected by this transition.

Federal and State Legislative Update

Jackie Mark, Sr. Policy Advisor, Government Affairs provided an update on several legislative items of interest to the committee and referred the committee to the handout that they had received in their meeting materials.

PAC Member Updates

Chair Dr. Lazo-Pearson reminded the members that their yearly compliance courses were due on November 5, 2021 and that failure to complete this courses could lead to a suspension from the committee until the courses were completed.. She asked the members to reach out to Cheryl Simmons should they have difficulty accessing their courses. She also noted that the next meeting was scheduled for Wednesday, November 10, 2021 due to the Veteran's Day holiday.

ADJOURNMENT

Chair Dr. Lazo-Pearson reminded the PAC that the next meeting would be on Wednesday, November 10, 2021 at 8 a.m. due to the Veteran's Day holiday which falls on the normally scheduled day and time. Hearing no further business, Dr. Lazo-Pearson adjourned the meeting at 9:40 a.m.

MEMORANDUM

DATE:	October 28, 2021
TO:	CalOptima Board of Directors
FROM:	Richard Sanchez, Chief Executive Officer
SUBJECT:	CEO Report — November 4, 2021, Board of Directors Meeting
COPY:	Sharon Dwiers, Clerk of the Board; Member Advisory Committee; Provider Advisory Committee; OneCare Connect Member Advisory Committee; and Whole-Child Model Family Advisory Committee

a. **CalOptima OneCare (HMO SNP) Plan Earns Four-Star Rating**

The Centers for Medicare & Medicaid Services (CMS) released the 2022 Star Ratings in early October, awarding OneCare 4 stars overall — 3.5 stars for Part C and 4.5 stars for Part D (pharmacy). A rating of 4 stars is considered "above average" performance by CMS. The 2022 rating is an increase from the 3.5 stars overall OneCare received for 2021. While CalOptima is pleased with the increased rating, staff continues to pursue ways to improve quality care for members. Star ratings are available on www.medicare.gov, and consumers may use them to compare plans.

b. California Advancing and Innovating Medi-Cal (CalAIM) Preparations Continue

In October, preparations intensified for CalAIM's launch on January 1, 2022. Enhanced Care Management (ECM) and Community Supports will be the first benefits to roll out in what is a five-year effort to strengthen and streamline the Medi-Cal program statewide. Stakeholder engagement continued this month, as smaller workgroups that first met at the prior meeting on September 22 are furthering their discussions by meeting weekly about enhancements to the referral processes, coordination, data sharing and more. The broader group will come together again for a check-in and additional collaboration in November. Site visits are being planned for November to engage providers of Community Supports, with the goal of identifying the best use of potential incentive funding to address service capacity and gaps. Readiness assessments of ECM and Community Supports providers are in progress. Clinical policies and contracts will be presented for your Board's consideration in December.

c. CalOptima Works on Incentive Plan Deliverables, Receives Honor for COVID-19 Communications

As of October 27, CalOptima has 418,948 vaccinated members, which is 63% of members age 16 and older and 62% of members age 12 and older. To drive those rates even higher, staff is focused on implementation of CalOptima's efforts related to the state vaccine incentive program. A range of activities are underway, including outreach to populations of focus, provider engagement and a broad advertising campaign. The state is emphasizing accountability for results by requiring submission of outcomes data at three intervals along the way to the program's end in February 2022. In the meantime, CalOptima's communications efforts were honored this month in the Orange County Chapter of the Public Relations Society of America's

Back to Agenda

PROTOS Awards. Our comprehensive COVID-19 prevention and vaccination campaigns that included advertising, social media, communications outreach and more received an Award of Excellence in the category of COVID-19 Response Crisis Communications/Issues Management Programs.

d. CalFresh Educational Presentation Draws Large Community Audience

To address social determinants of health and raise awareness about supportive programs available for CalOptima members, CalOptima collaborated with the County of Orange Social Services Agency (SSA) to host two virtual information sessions on the CalFresh program on October 27 and 28. More than 300 attended, representing a variety of member advocate, community and provider organizations. In a separate initiative, details are being finalized so SSA can share data that will assist CalOptima in determining the number of members likely eligible but not enrolled in CalFresh. CalOptima will use the data for targeted outreach.

e. Great American Smokeout Event Centers on Anti-Vaping Messages, Activities

On November 18, CalOptima will partner with local community-based organizations, county agencies and school districts to host CalOptima's annual Escape the Vape, A Great American Smokeout event at Ponderosa Park Family Resource Center in Anaheim. Students age 5–18 throughout Orange County are invited to participate in group activities centered around anti-vaping and anti-smoking, which include scavenger hunt activities to collect cigarette butts on the grounds of the park. The event will also include parent presentations to increase awareness of vaping and current vaping devices. This year, Anaheim Mayor Harry Sidhu will join the opening ceremonies, and media coverage will be provided by PBS and American Cancer Society.

f. New Medi-Cal Benefits for Community Health Workers, Doula Care Delayed

The Enacted State Budget for Fiscal Year 2021–22 added two new Medi-Cal covered benefits: community health worker services and doula care. However, the Department of Health Care Services (DHCS) recently announced a delay in implementation of these new benefits from January 1, 2022, to July 1, 2022. The delay will allow additional time for DHCS to work with stakeholders and health plans, review their input and incorporate it into the State Plan Amendment, and ensure successful system updates. Once that is complete, DHCS will seek federal approval from CMS and provide time for health plans to prepare to offer these services.

g. PACE Garners Continued Recognition by Elected Officials

This month, CalOptima received an Assembly Resolution from Assemblywoman Cottie Petrie-Norris recognizing the PACE program's contributions to Orange County seniors over the past eight years. She also recently toured CalOptima PACE during National PACE Month in September. Staff will display the resolution at the center. And on October 8, U.S. Rep. Mike Levin's lead district representative Terry VanHorne toured CalOptima PACE. Ms. VanHorne was particularly interested in PACE eligibility, transportation and the use of Alternative Care Settings to expand access.

h. State Housing Tour Mentions CalOptima Support

Assemblywoman Sharon Quirk-Silva hosted an invite-only Fall 2021 State Housing Tour. The program began with a panel discussion on housing and homeless services in Southern California. The guests, which included many elected officials, were then invited to tour the Fullerton

Navigation and Recuperative Care Center, Be Well OC and Buena Esperanza, a Jamboree Housing HomeKey Site. CalOptima was commended during the Fullerton Navigation Center and Be Well OC tours for the agency's ongoing support and collaboration.

i. California Association of Health Plans (CAHP) Conference Addresses Priority Areas

On October 11–13, CalOptima leaders attended the 2021 CAHP Annual Conference. CalOptima's state trade association, CAHP represents all public and commercial health plans in California. I was asked to moderate a CalAIM panel discussing implementation of the ECM and Community Supports benefits. Other conference sessions focused on major health plan priorities, including:

- Improving telehealth access and utilization through various modalities, such as new video technology and e-consults between primary care providers and specialists.
- Increasing access to school-based behavioral health (BH) services through a $400 million Medi-Cal managed care plan (MCP) incentive program to expand BH infrastructure, workforces and partnerships with school districts.
- Coordinating housing and health care services for individuals experiencing homelessness, including a new $650 million Medi-Cal MCP incentive program to enhance homeless health initiatives.
- Addressing health equity and social determinants of health, particularly in response to health disparities during the COVID-19 pandemic.

j. Media Coverage Highlights CalOptima Expertise, Leadership

This month, CalOptima received coverage on three high-profile online sites:

- On October 13, Insider.com ran a story about Halloween safety that included helpful tips from CalOptima Medical Director Thanh-Tam Nguyen, M.D., a pediatrician serving members in the Whole Child Model program.
- On October 15, StateofReform.com covered CalOptima's text campaign to boost vaccination rates, highlighting the innovation and impact of the effort. Director of Population Health Management Pshyra Jones, MPH, was interviewed.
- On October 22, Becker's Payer Issues released a podcast interview with me about CalOptima's pandemic response and work on key initiatives. The interview was recorded in August but released this month.

PACE Recognition

- CalOptima received an Assembly Resolution from Assemblywoman Cottie Petrie-Norris recognizing the PACE program's contributions to Orange County seniors over the past eight years. The Assemblywoman and her staff toured the center during National PACE Month in September.

CMS Audit

- On October 21, 2021, CMS issued the draft audit report for CalOptima's OneCare and OneCare Connect programs. The total audit score is 0.59, which when compared with CMS' prior published audit scores from 2018 and 2019, would put CalOptima roughly among the top 25% of performers across 52 plans.

Family Support Network

SERVING SPECIAL FAMILIES SINCE 1985

Back to Agenda

Maura Byron, Executive Director

- Family Support Network was founded in 1985, by a group of families who met while sitting at the bedsides of their newborn babies in the neonatal intensive care unit. Getting to know one another through this shared traumatic experience, the parents connected for emotional support. When doctors prepared them all to leave the hospital and go home, they realized they had a very limited understanding of what having a child with special needs meant. As they began the process of navigating the very complicated system, they connected once again to help each other through the process and quickly realized that many families were struggling with similar situations. Family Support Network was born.

Back to Agenda

- ***Mission Statement:***

Family Support Network provides services offering resources and advocacy for families and children with social, emotional, intellectual, and physical needs so they may reach their full potential.

Back to Agenda

Our Vision:

At Family Support Network, we serve by building communities and offering programs to empower families to be the best version of themselves.

About CalOptima

CalOptima is a county organized health system that administers health insurance programs for low-income children, adults, seniors and people with disabilities. As Orange County's community health plan, our mission is to provide members with access to quality health care services delivered in a cost-effective and compassionate manner. We provide coverage through four major programs: Medi-Cal, OneCare Connect Cal MediConnect Plan (Medicare-Medicaid Plan), OneCare (Medicare Advantage Special Needs Plan) and the Program of All-Inclusive Care for the Elderly (PACE).
